

Enrolment into Classes during Terms 1,2 & 3 in 2012

New Classes (if any) will be advertised in the Newsletter due to be published and distributed two weeks before the end of terms 1,2 & 3.

These classes will be open for enrolment on the Monday following publication of the Newsletter. Enrolment is to be carried out at the Office. The office will be staffed to cope with the extra workload. Also members can enrol in any classes that have vacancies and are able to accept new members. Language classes that have been running for some time will not accept new members; unless the tutor is satisfied the prospective member has the skill level comparable with the rest of that class.

Note:- There will be no special Enrolment Day in the Term Breaks as in the past.

Enrolment for Classes in 2013

Will take place during the week immediately after the end of Term 4. For existing members Renewal Letters will be sent out during November, along with Class Lists for Term 1, 2013.

Members are advised to pay their membership fees **BEFORE** enrolment days in December. Financial Members will receive priority over members who have not paid by then, and they have a better chance of being enrolled into the classes of their choice.

Volunteers, who have completed their tasks during 2012, will receive priority over all other members.

A list of dates and times for enrolment of volunteers, non volunteers and new members will be published during term 4, 2012.
