Setting up U3A Knox members as Friends of the Arts Centre

KCAC advised all U3A members would receive significant discounts to shows at KCAC. This initiative would be advertised in the KCAC brochure, KCAC website, U3A website and U3A newsletter.

To receive the discount, U3A members will need to be set up as Friends of the Arts Centre by registering their details. This could be done by completing a form through U3A which would be forwarded onto KCAC for processing.

KCAC advised that members would be identified by their name and U3A Membership ID. If ID is not provided or unknown at the time of purchasing tickets, either in person or on line no discount will be available.

We hope many of you - U3A members will register and enjoy at least some of the shows at KCAC throughout the year with significant discounted tickets.
